

Saudi Factory for Chlorine & Alkalis is committed to continuously improve quality performance and customer satisfaction by anticipating and exceeding customer's requirement.

TO ACHIEVE THIS WE SHALL:

- Build trust, transparency and confident of our stakeholders.
- Sustain organizational excellence through visionary leadership and innovative efforts.
- Establish and review quality Objectives.
- Enhance the skill and competence of employees for effectively meeting the requirements of customers and business.

We shall communicate this policy to all our stakeholders and review it periodically for its continuing suitability.
